Shalom All, I am sending you an update with the information you need to register for our Level 1 course in North Bay this coming July.

The CGSAC member website has the North Bay course brochure on it so you can download and you can choose to register on-line. www.cgsac.ca

Accommodations are available at **Nipissing University** which is not too far from the Pro-Cathedral of the Assumption – Atrium. Suites are available. Up to 4 people can share a suite which has separate bedrooms, a kitchen, lounge area and 2 washrooms. For pricing see below.

- ***We offer individual room rates and suite rates. Our suites contain four bedrooms, two bathrooms, full kitchen, and living area. The cost of one room per night is \$42.48+tax, and the cost of one suite per night is \$106.20+tax. Therefore, if your students would be sharing suites the cost would be \$26.55+hst/person/night.***

If you need accommodations say yes when you register.

You can choose suite or room alone.

- ***When I know I will do my best to book your requested accommodations.***

Reminder **CGSAC memberships are appreciated**, you can join on-line at www.cgsac.ca

Once you register you may want to **order your books** and prepare yourself with course materials.

Joseph's Inspirational Bookstore in Markham is where you want to order your books from. I suggest you make a bulk order for your area so you are paying only one shipping cost.
